LeDiwali Outdoor Solar Light LED 1840lm 20W CR4

Are you worried that the sodium street lights hanging over head are doing damage to the environment? Are they costing you too much to maintain and operate? Why not replace them with the LeDiwali? This light is a must have for any government street lighting project, especially where there are problems with reliable power generation or those areas that are trying to reduce

## Product Technical Data

### General Informaion

Life Span                    50000hr

### Light Characteristics

Efficacy                    92lm/W  
Beam Angle                150  
CCT                         6000K  $\pm$ 10%  
Flux                         1840lm  
Color Rendering         75  
Index

### Electrical Characteristics

Wattage                    20W  
Voltage                    9 to 36V DC  
Power Factor             N/A DC

### Temperature

Operating Temp.        -40(min), 45(max)C  
Storage                    -40(min), 45(max)C

### Product Dimensions

Lamp Length             313mm  
Lamp Width               84.00mm  
Cap Size                   E42/27

### Ordering Information

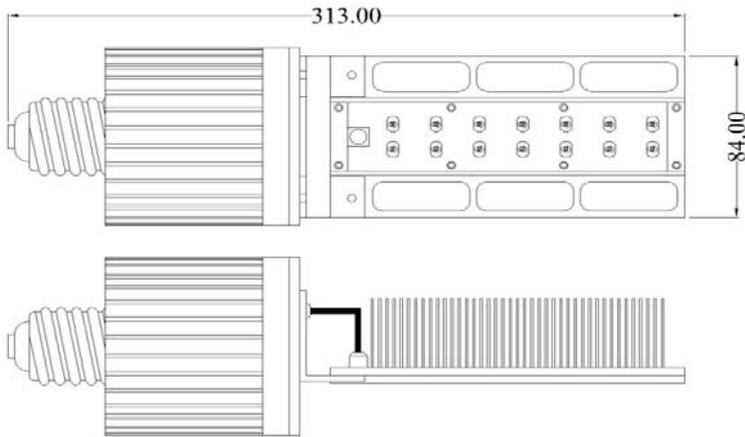

Product Number         A-6840-014-CR5DC  
Product Name            LeDiwalli Outdoor  
Product Ordering Name   LeDiwalli Outdoor  
   1840lm 20W CR4  
Pieces Per Pack           1  
Packs Per Carton        1
